**Romanian evangelistic youth rally led by Ion Damian -
Supported by JAMin.**

Since our beginning in 2002, JAMin. has made it a practice to avoid actively soliciting funds. However, we do not mind letting you know that nothing we do is at no cost. We operate within our means, and do not recklessly plan ministry and then expect God to save us from embarrassment. We ask everyone to pray and we pray for many to respond to God's impression to give. Be assured we are very grateful for every gift great or small. **God bless you!**
