## First Ever Baptismal Service!

**On Saturday, June 14,** JAMin. assisted with the first ever baptismal service at the Union County Jail in Monroe, NC. Arlington Baptist Church provided the portable baptistery for the occasion. Church member Mark Waters supervised the assembly and use of the pool as 20 inmates were baptized! The

jail is the site of the Lifeskills ministry where Jeff Andler has been involved as a teacher for almost 12 years. A second service was held on June 21. A total of 48 candidates were baptized after making professions of faith in Christ and completing thorough counseling regarding their decisions. JAMin. partners with My Safer Communities Ministries at the jail and in other prison ministry activities during the year.

## America the Beautiful!

Lynne and I recently enjoyed some welcome vacation days. We thank the Lord for the chance to see His amazing sights at Glacier, Yellowstone and Grand Teton National Parks, and Devil's Tower and Mt. Rushmore National Monuments. God has truly blessed America. May we pray that America will bless God. *(See bottom right this p.)*

## Prayer & Fasting For Spiritual Awakening in America

Many spiritual leaders in the US agree that unless we experience spiritual awakening and renewal, our nation as we have known it will be no more. I concur with this observation. For this reason, JAMin. is encouraging our friends to participate in the "7-7-7" call of Anne Graham Lotz, daughter of Billy Graham. This effort is asking all believers to pray specifically for this purpose each day, July 1-7. On July 7, believers are asked to intensify their efforts by fasting and praying for 7 hours. Will you be a part of this call? The Lord, as always, is our only hope.
