Quarterly News-

Do you remember the old song 'Work for the Night is Coming?'" It is taken directly from Jesus' words in John 9:4, urging us to serve as diligently as we can while we can. The years are passing quickly and we know that the day is coming that we will not keep the pace we now do. We thank you for your prayers & gifts on behalf of JAMin. & ask that you continue to partner with us while we still have the "day!" God bless you!
