Praise the Lord With Us!

- Aug. Honduras medical mission canceled due to COVID pandemic, **BUT**...many team members donate initial payments to support Open Eyes Ministries in Honduras (losing great deal of support due to cancelation of 2020 teams)! Will aid in continued ministries of orphanages, feeding sites, preschools, cell groups and more!
- Updated JAMin. website (see address above), includes the following...
- Great response to our Sunday AM live video messages. Will continue on facebook and JAMin. website, gospel always shared! (see schedule p. 2)
- March report from Ghana ministry partner Simon Akpolu, large groups hindered due to COVID **BUT**...gospel shared in personal witnessing, car rides, waiting areas, etc. with over 50 persons, **40 indicated professions of faith!**
- Work continues on arrangements for 2020 JAMin. Christmas Singers (will we use them?) see below
- Keeping contact with neighborhood widows and widowers, helping as needed where possible
- JAMin. friend & board member Jackie Simpson helping with Billy Graham Association COVID Prayerline - over 30 calls, **7 decisions!**
- God continues to provide for JAMin. during these unusual days - through people like you!
