Jan. 19 Windsor Run AM service

JAMin. is investigating the need to expand our Sunday AM ministry, at Windsor Run Sr. Living in Matthews, NC. A decision will be made after holding three trial services on Jan. 5, 19 & Feb. 2. Pray that we will clearly know God's wisdom in this matter. If we continue, services will be held twice monthly at Windsor Run and Brookdale Charlotte East where we currently serve. Please pray!

If the success of JAMin. depended on your prayers and mine, how long would we last?

Thank you for your prayers and gifts. Both keep JAMin. going!

Thank You to JAMin.

Dear JAMin.,

Thank you so very much for your gift to our family during our time of need. The compassion and kindness you showed us was a tremendous blessing during a difficult time. Our financial load was lightened at a very challenging time for our family.

Many blessings...

The above is a portion of a note from a family that received assistance in December 2019 from our JAMin. board & Sunday AM team, whose gifts were matched with funds from the JAMin. general account, supported by you! The family was struggling with medical costs and unemployment.
