**Aug. 13-15** we held a special home Grand Camp with the Andler grand kids. We enjoyed chapel times that featured music & learning about the ten plagues of Egypt. Recreation included water fun, pool, Bible baseball, pinata, & more. Craft times produced tie-dye shirts, treasure boxes, burning bush tea lights & crosses made of seashells and colored pottery fragments. We appreciate the help of our neighbors Perry & Dave, who have been attending our Sunday AM studies! Our camp theme was "Set Us Free." Praise the Lord with us!

"Pray without ceasing, in all things give thanks." 1 Th. 5:17-18

**On Wednesday afternoon, July 22**, a ministry was begun at Arlington Baptist Church to distribute free food to members of the community. A generous church member has arranged for the food to be available every other Wednesday, including fresh fruits and vegetables, milk and cheese. I have joined in the effort, and we are able to meet with the folks, pray with them & in many cases share the Gospel. Many decisions for Christ have resulted, & the grateful smiles & "thanks you's" are rewarding to say the least! We are thankful for this opportunity, especially during these days when lives have been disrupted, as well as many of JAMin.'s regular ministries. Praise the Lord with us & pray too! *(photos below)*

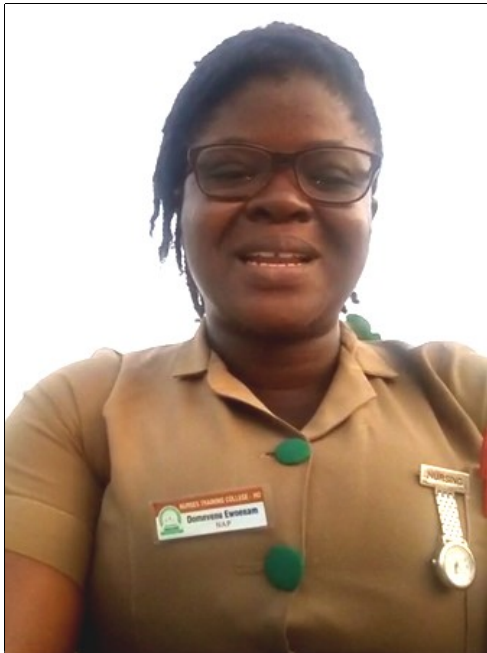

"I was hungry and you gave me something to eat."

Mt. 25:35

**Thank You for Supporting JAMin. With Prayers & Gifts!**

In August, JAMin. was blessed to help our friend Ewoenam Domavenu with expenses required to complete nursing school in Ghana, W. Africa. She is the daughter of one of our team evangelists in that country. Thank you for supporting us, which enables us to help others. Praise the Lord with us!
