## Praise the Lord With Us & Pray With Us!

**Open Eyes Ministries of Honduras Director** and long time JAMin. friend Pamela Castellon recently visited the USA. She was a guest in the home of Jeff and Lynne Andler on Nov. 28-30 and also shared in the Nov. 29 services at Arlington Church about the ministry in Honduras. JAMin. has been involved with Open Eyes since 2003, and partnered with Arlington Church in 2015 and 2018 leading medical evangelism and construction projects. Our 2020 project was cancelled due to COVID. We may attempt a project in 2021, contingent upon the developments of the COVID situation.
