JAMin. Completes Purchase of Replacement Vehicle for Ministry

Your support made it possible for us to provide remaining funds needed for John & Ani Tomeci, long time friends & missionaries to college students in Romania. The search is on for the right vehicle. Stay tuned, we'll have a picture soon!

JAMin. Provides Refrigerator

Once again, your support helps us help others. We learned of a Sr. Adult man who had been without a fridge for two weeks, & quickly remedied that problem! Our friends at Arlington Church filled it with groceries. He was very appreciative!

JANUARY 2021 EVANGELISM REPORT FROM GHANA, W. AFRICA - SIMON AKPOLU

Gospel shared in groups, church settings, house to house, one-on-one with over 550 persons

Over 300 indicated professions of faith in Christ!

Supported by JAMin. - through your support.

JAMin. Provides Kerosene to heat home

Your support (we keep saying that!) enabled us to help a couple stay a little warmer in the NC cold. As COVID continues to limit our travel & other past ministries, we are able to use funds to meet needs of those nearby. Thank you!

More Prayer Needs

- Continued effectiveness of weekly video messages
- Fri., Feb. 5 Arlington Church Sr. Adult Winter Warm-up lunch
- Feb. 15-28 Ghana evangelism project (w/out US team due to COVID); led by local team, supported by JAMin. & GEM
- Phyllis Land (sister of Jeff A.), con't. rehab in GA
- Patty Brown, long time friend & director of Baptist Center in Panama City, FL; COVID & pneumonia
- Continued health & protection of Jeff & Lynne Andler
- God's continued provision for JAMin.

Mike & Mary trusted Christ in our ministry years ago & shortly thereafter relocated to FL, where they joined a church & were baptized. Unfortunate health issues have confined Mike to a wheelchair. Through contact with friend & former FL pastor Guy Sanders, we are adding a ramp to the entrance of their home. That's right...with your support! Actual pictures later!

Thank You for Your Prayers & Gifts!

Some comments from January audience *(top center from France!)*

Enjoyed the sweet message on God's love for children and his hands on show of this love. I love being a child of God. It was very special to feel your message and be happy. Thank you

Happy New Year to you and your family. Bonne Année 2021.

I listened to you when I went to bed last night. Great service.

Excellent message for parents, grandparents and even childless people! We are all God's children!!

And some love the music...

What a blessed song! Thanks
