2020 - A Year and a Christmas Season Like No Other, But Filled With Opportunities

Though involvement in mass evangelism venues was hindered by COVID, we still maintained the prime concern to see people come to faith in Christ. In our Feb. Ghana project and other efforts throughout the year in partnership with ministry friends around the world (after the COVID outbreak), we have still seen **48,699 indicated professions of faith in Christ in 2020!** Your gifts have also made this year very strong financially, which enabled us to be of great assistance to our struggling ministry friends. Thousands of dollars have been shared with ministries in Honduras, Romania, Ghana, and in the US with those who are unemployed, in need of help with food, rent, utilities and more. God is good, and so are you!

Final Delivery of 2020

On Dec. 10, Jeff A. made his final food delivery to families of incarcerated persons, in the partnership with Food For Families that began in the spring of 2020. The Dec. 17 delivery had to be made by others, for reasons you will see below...

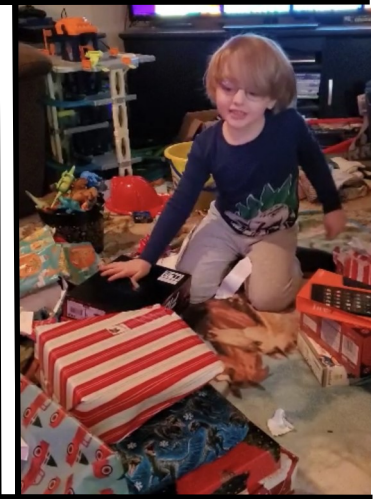

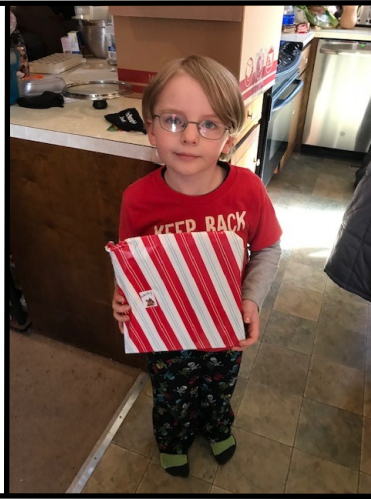

Jeff and Lynne Andler Recover from COVID
 In mid-Dec., both Jeff and Lynne Andler tested positive for COVID. Both struggled with levels of fatigue, Jeff chronic low fever (Lynne none!), but both have made it through!

We do not know what 2021 will hold, but we know Who holds 2021! Your prayers & gifts will help us & others!

- From Kayla...
 I was going to have to choose between paying bills and Christmas for the kids. Now I was able to do both! Thank you!

- From Susan...
 "I give you the biggest thank you. Everyone was ecstatic, screaming & laughing. Thanks a million to everyone!"

It was our goal for each family member to receive one gift of clothing, a toy, shoes, and personal hygiene items. Because of the generosity of JAMin. donors and the friends mentioned at the top of p. 1, everyone received more than one of the desired items! The entire experience reminded us "it is more blessed to give than to receive" (*Acts 30:35*)
