FEBRUARY 15-28 GHANA EVANGELISM PROJECT

At the time of our March Praise & Prayer printing, we reported the results of the Ghana project through Feb. 21. This newsletter will be dedicated primarily to the final report of the entire project. Due to lingering COVID restrictions, no US team members participated, but our local Ghana team did an outstanding job in our absence. Schools were visited each morning, though limited in number due to restrictions imposed by the Ghana education department. Jesus film crusades were held each evening. As always, JAMin. and Global Evangelism Ministries joined to finance the project, each spending several thousand dollars. In two weeks...

- Gospel shared with 30,695 persons in 121 venues!
- 23,641 indicated professions of faith in Christ!
- 1000's of Bibles distributed!

Thank you for your support which enables us to spread the Gospel ourselves & help others to do so.

More from Ghana...

Quality pictures of the Jesus film crusades are rare, but one was held in five villages each night. Pray with us that we will be able to join our Ghanaian friends in the next scheduled project in September.

And - Simon's March evangelism report...
