Praise the Lord With Us...and Pray With Us!

Jeff Andler Reaches 50-year Mark in Ministry - April 25, 1971 - April 25, 2021
"You'll see anything & everything in ministry," I was told early on, & it's been true! "There's no work like church work," another said, also true! "Get ready for the greatest joys & greatest struggles of your life," true again! Well, the last 5 decades have indeed included challenges, but the grace of God has taken us through every one while giving blessings, high moments, & results that have kept us enthusiastic & steadfast. From 16 to 66, it has been an adventure I would not trade, & I look forward to what lies ahead in the years that remain. Take a look at a little of the history, & allow me to say thank you to those who have, & who are still, cheering me along & praying for me faithfully, **AND especially my dear wife Lynne & our children Jeremy & Lyndsey, who have been beside me since God brought us together.** I love you all! Perhaps you have heard me say it through the years, & nothing has changed - I am, "Not finished until He is!"
