Praise the Lord With Us - Pray With Us!

MAY 21-28 GHANA - NW AFRICA

Roy Mason, Mark Chase and Jeff Andler traveled to Accra, Ghana for the first time since February, 2020. It was a shorter trip as we remained in the city & held no projects in the remote areas. Our Ghana ministry partners & their wives were brought to our hotel (a rare luxury for them!) where we spent time training & encouraging in evangelism, finances, & marriage relationships. On May 24 we traveled to the city of Koforidua where Jeff A. led evangelism training sessions for local pastors & church leaders. Jeff A. also further developed a relationship with Edem King, an enthusiastic young man who is building evangelistic ministries in prisons, hospitals & film crusades in and around Accra. We hope to see JAMin. aid him in acquiring equipment he needs to best pursue his efforts - including a vehicle to replace his 27 year old van! Think big, pray hard! Take a look on this page at our time in Ghana.

“Three Steps to Heaven” is the witnessing format we use in Ghana and is what was recently taught in our evangelism training in Koforidua (right). The pastors, wives & others were very responsive & enthusiastic. After the class, two taxi drivers trusted Christ!

We are excited to introduce to you our new friend & ministry partner Edem King (bottom far left & far right). We met him in early 2020 as an Accra Holiday Inn employee. He & others lost jobs when COVID closed the hotel for several months, so he just increased his time in ministries he was already involved in. When offered a return to his job, he refused in order to remain full time in evangelistic ministry. He is driven, intelligent & dedicated. Pray with us as we seek to support him.
