"Go therefore and teach all nations..."(Mt. 28:20)

US Team Advised To Delay Return To Ghana

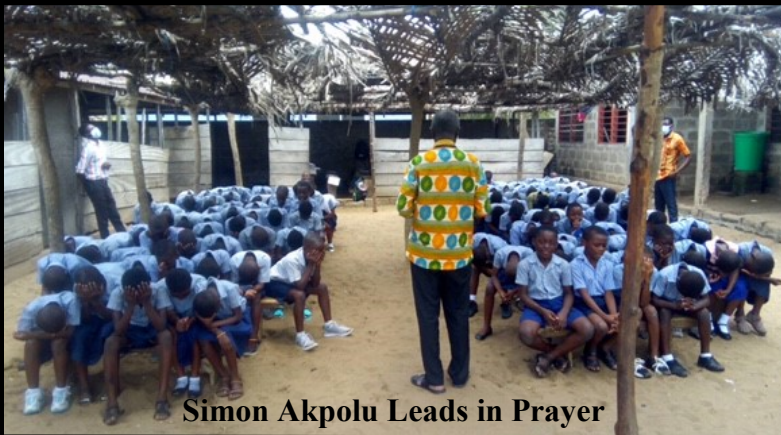

Four US team members were scheduled to be in Ghana, W. Africa Sept. 23 - Oct. 10 for our fall evangelism project. However, due to high COVID cases in the project area, access to public schools was closed and our Ghana team suspected additional restrictions may be imposed. They consequently advised us to wait until our next scheduled project in Feb., 2022 to make the trip. We are obviously disappointed but also trust God to "work all things together for good." The Ghanaian team members will be allowed to conduct a limited version of the project so we are praying for every success possible. Please see some facts and photos of what has taken place thus far, and pray for the efforts that remain. There will be more news ahead!

2021 JAMin. Christmas Singers Kick-off Retreat Sept. 10-11 at Caraway

Ready for Rehearsal!

The weather didn't feel like December, but Christmas music was in the air, and there was some Christmas games - and even a few gifts!

October Newsletter

Pray for our Ghana ministry partners as they are currently facing unique challenges!

**All public schools closed to visitors due to COVID -
All ministry in private schools**

**Young hearts open to
the Gospel.
We never discount
these young decisions.
I was seven years old
when I realized a need
for Christ. I did not
understand it all, but it
was real and remains
so over 60 years later!**
