Gathering for worship & activities

At the close of one nightly Jesus film service, a 4-year old girl came forward & wanted to sing the prayer of faith she had heard so many say. We are told it was touching beyond words! A child shall lead!

Quotes About Prayer

"Our prayers may be awkward. Our attempts may be feeble. But since the power of prayer is in the One who hears it and not in the one who says it, our prayers do make a difference." – Max Lucado
 "To get nations back on their feet, we must first get down on our knees." – Billy Graham
 "Prayer does not fit us for the greater work; prayer is the greater work." – Oswald Chambers

November Praise & Prayer

I received a call in late Sept. from a friend whose musical group had disbanded, asking if I might suggest where their audio equipment could be donated. We were able to contact dear friend Travis Byrd who has a unique ministry on the NC coast, OIB Life Church. It "just so happened" that their equipment had recently failed and they were in need! Glad to be where God works!
