March Praise & Prayer

Changes... In 2005, I became involved at Arlington Baptist Church to assist with their music ministry and then with Sr. Adults in 2012 (this primarily involved weekly Sr. choir rehearsal and monthly "performance," monthly activities, annual retreat, etc.). From day one we refused personal compensation and directed all financial support into our JAMin. account. The years of service have been a joyful blessing and rewarding relationship with a loving and encouraging staff and congregation - not to mention a downright blast with the Srs.! However, the COVID situation has greatly hindered Sr. involvement which has reduced my leadership activity to the level of little to nothing. The pastor and church have been very patient and supportive, but after struggling with the situation, I have decided that I can no longer in good conscience allow funds to be placed in our ministry while I continue to be virtually idle regarding this ministry. I therefore have decided to step away from this position, though not without regret! I love these folks and will miss the former level of involvement. Please pray for Arlington as they seek ways to continue to minister to Srs., and for God to continue to provide for JAMin.'s financial needs. Life does bring change!

A card we received recently...

"Thank you Mr. Andler for delivering food each week to our families, sharing the love of Jesus and ministering to all!"
