Take a walk through 2 Decades of Ministry History!

After 31 years serving local churches, God's leading through unique & even difficult circumstances moved us to a totally faith-based ministry. "Jeff Andler Ministries" quickly became known as "JAMin.," as we followed 3 basic directives in the New Testament:

- 1) Matt. 28:19-20 & Acts 1:8, "Go therefore..." & "You shall be My witnesses" (establishing our top priority of evangelism)
- 2) Matt. 25:35-36, "I was hungry...thirsty...a stranger...naked...sick...in prison..." (setting a priority on the physical needs of man, w/ a particular emphasis on prison ministry)
- 3) James 1:27, "pure & undefiled religion...to visit the fatherless & widows..." (focusing our attention on ministry to Sr. Adults)

From day one we found no shortage of ministry opportunities in these & other areas, & that has held true for 20 years! We have pursued our calling through personal contact, public crusades, medical & construction projects, musical ministry, and more. It has been our blessing to have organized & led projects, as well as partnering with other ministries to serve under their leadership. Please enjoy this extended history of 20 years of God's blessing in serving Him.

Thank you for 20 years of prayers and financial support!

We developed a formula for deciding if we would be involved in an opportunity - If the calendar is clear, if our abilities can meet the need, & if God provides needed funds, WE GET INVOLVED! This "system" has kept us busy for 20 years!

Central America - Nicaragua 2004

Ministry on 5 continents!

Less than 2 months into this ministry, we decided **not** to solicit funds in any way, or even talk about money except to the Lord. Our financial philosophy became, "Why go to men who own a little when we can just go to God Who owns it all?" Everything we do is on a volunteer basis, no fees are ever charged, & even love offerings are not requested - but God has greatly provided! When JAMin. was 7 months old (Jan., '03), we decided that each month we had surplus funds, a portion would be shared with a need outside of JA-Min. We have not missed a month since!
