Christmas is Coming, Preparation is Here!

Each year from Thanksgiving weekend through the week before Christmas, the JAMin. Christmas Singers are busy sharing the Gospel in song and word - in Sr. adult communities, parades, prison inmate family parties, churches & more. This amazing group of people begin preparing long before that to learn a great variety of secular and sacred favorites, accompanied & a cappella. The pictures on this page say, "we're off to a great start!"

Guest speaker in a church with full crowd!

The change in Wesley has been remarkable since the despair, discouragement & defeat of being released by his church in early 2021. We encouraged him to continue serving in his call as a minister by faith, & JAMin. has helped him financially, to enable him to continue. We hope to do so as God provides.

Pray with us as we seek to help others at home & elsewhere.
