Praise the Lord With Us & Pray With Us!

September 23 - October 8 Ghana Evangelism Project Sees Great Results!

After a one-day delay due to flight cancelations, we departed, served & returned as scheduled without further difficulty. Since public schools had not yet opened to outside visitors due to lingering COVID restrictions, all school ministry took place in private schools in the area of Agona-Swedru, about 2 hours from the capital city of Accra. PM village Jesus film crusades were held as usual. The Gospel was shared in **142 venues** with **39,482 people**, and **35,578 indicated a desire to trust Christ!** Take a look at a few photos and be ready to **see more in our December publication!**
