Charlotte NC 28227**

February Praise & Prayer

Since the COVID outbreak in 2020, we have seen our travels decrease in frequency, but support to our friends around the world has actually increased. They are fulfilling Christ's commission with their time & energy, while we help them do so with our support (a lot can be done with funds once spent for plane tickets, meals & lodging!). Souls are being saved, the hungry fed, & God is being glorified. Thank you!

JAMin. partner in troubled Brazil, Wesley da Silva (left), & youth witness in streets

Romanian partner Ion Damian delivers food in war torn Ukraine...

"...I was hungry, & you gave me something to eat."
