## Christmas is on our minds year round!

On Sat., July 15, after prior rehearsals at Sharon's home, our demo team gathered again at Rushing Winds Studio in Dallas, NC to record the new Christmas arrangements for 2023 by Jeff A. Many hours, kinda tired after, but a LOT of fun! Jeff A. made a return visit on July 26 to record the bass parts & mixing & editing. We had hoped all the Christmas music would make the weather feel cooler - it did not! Christmas ministry 2023, here we come! Not too early to begin praying for our already full schedule!
