(photo above)

Our JAMin. team leads 9 AM services at the Windsor Run Sr. Living in nearby Matthews, NC on the 1st & 3rd Sundays of each month. We have good attendance but many other residents venture out to their local churches. There is a weekly 6 PM service that is attended by a greater number. Jeff A, was the guest speaker for this service on August 18. Always a good time!

Think a life in vocational ministry is a perpetual warm, fuzzy weekend retreat?  
Think again!

**JAMin. Pursuing Encouragement Ministry To Those Wounded in Christian Service**

Did you know that 50% of seminary graduates are out of the ministry within 10 years? And that insurance companies consider ministers as the greatest risk, 2nd only to skydivers and scuba divers? Mainly due to stress related issues! 22 years ago JAMin. was born out of a very difficult & low time, but has since enjoyed phenomenal blessings & usefulness worldwide, proving that there is life & joy after times of devastating trial. We are now investigating the development of ministry to those called to serve, but currently not doing so due to hurt & discouragement - to help them continue following their call. We envision hosting occasional retreat settings that feature

music, motivation based on our own experiences, prayer, fellowship, & fun! We hope for JAMin. to provide this ministry at no cost to the participants, as finances are likely an issue for them. Upcoming appointments & meetings are scheduled to seek guidance & advice in developing this possibility.

**Will it happen? Pray with us!**

### **Our Featured Ministry Partner This Month...**

Long time friend, Simon Akpolu in Ghana, W. Africa! We maintain association with not only Simon but many team members that are a part of our relationship with Roy Mason & Global Evangelism Ministry - an adventure that began in 2003! Though our presence in Ghana has been limited since COVID (& other issues), the work goes on and many are hearing & responding to the Gospel (*see bottom this p.*). Your support helps keep the work going, especially in regard to our special relationship with Simon. I recently heard from Roy, that Gideons International (source of Bibles purchased & shared) say that the ministry with which we're partnered is the largest single distributor of Bibles on the African continent! What a blessing to have our small part in this effort! Our support frees Simon to concentrate totally on ministry!
