- **By Jeffery P. Andler** Our choir at Hickory Grove Baptist Church in the 90's was so large, it was possible for me not to personally know every member, but I always noticed those who stood out due to faithfulness, enthusiasm, and a bright smile. All of these described Andy Denton. He was dependable and helpful, not only in the choir but when pursuing other opportunities, like involvement in a newly formed men's quartet. We could always count on his grin shining through during comical pauses, then singing with all he had when it was time. After those years and the formation of JAMin., our paths crossed again when he volunteered to participate in a needed vocal team going on a 2008 mission to Costa Rica. Our friendship deepened during that time, and before long he was our choice to replace a departing JAMin. board member, a role he faithfully filled until he left us on Dec. 3, 2024. His support for JAMin. was undeniable in every way, and he is - and will be - missed greatly. Whether recalling the choir days, the JAMin. Singers, our ministry board meetings and activities, involvement in the Holiday Singers with the Charlotte Civic Orchestra, or just hanging out, I will always be able to say that in over 30 years of our relationship, I cannot remember a time that he was anything but encouraging! May that be said of all of us! So, good-bye for now old friend, and because of who you are, and Whose you are, we will see you soon!
