Ghana, W. Africa Spring Evangelism Project

The recent spring evangelism project faced a higher level of opposition & attempted hindrances from Muslim detractors & others, but God protected and the team persevered. The result was another great success, seeing many respond to the Gospel message presented in schools, evening film crusades & more. JAMin. provides thousands of dollars to help finance these projects twice each year, and your generosity makes that possible. The work continues & we will continue to be a part 'til God says stop - yeah, right!

Total Estimated Audience - 62,889, in 163 Venues , 54,930 indicate a response!

Not so fast!
For now, we are still maintaining both email addresses as seen on p. 1. Gmail does not feature some functions we need - so, we'll check both & let you know what we decide!
