News from
Cristi
Hodoroaba &
Camp Bit of
Heaven -
Fagaras,
Romania

Adjustments made in time for camp!

Heavy rains overflowed the river beside the camp (*above*) which flooded the main building basement (*center*). JAMin. was able to replace some appliances that were destroyed!

JAMin. has been in partnership with Cristi and the camp for over 20 years, providing funds and workers to complete much of the construction in the early phase, then continuing financial support to the present.
